****** Course teachers may adjust the schedule for lectures and practical's, in agreement with the students, depending on the current epidemiological situation in the Republic of North Macedonia. Any changes to the schedule must be reported to the Vice-Dean for Education and the student year representatives must also be informed.**

ATTENTION: If teaching takes place in accredited laboratories operating under ISO standards, course teachers and collaborators are required to keep proper records in accordance with the established procedures.

In accordance with the Decision of the Teaching-Scientific Council No. 0202-1020/15 of 20.09.2023, course teachers are obliged to maintain records in line with the approved protocols for teaching, assessments and final examinations. These records must be submitted to the Vice-Dean for Education at the end of the semester.
Course teachers are also required to sign the work diaries completed by students during practical training. The signature serves as confirmation of the student's attendance and participation.
